## OUR FIRST EVENT!

### A Garage Tour at Carlos Vivas'

If you went to the BBQ at the home of Carlos Vivas Sunday you were able to see his amazing garage full of Corvettes, collectibles, Neon, gas pumps, vintage trailers and various other cool old stuff.

There was a good representation of cars to include cars belonging to Ernie Wheeler's 1955 Corvette, Loren Eachus's 1931 Chevy and we had several new potential members in attendance.

VCCA members attending were: Carlos and Sherry Vivas, Ernie and Margaret Wheeler, Kate Jackson, Steve and Eileen Cochran, Loren Eachus, and

potential members: Ron and Carol Robinson, and Steve Scheffler. We now have 11 paid members, not including spouses.

Kate Jackson suggested that we, as a car club attend the Paso Robles Car Show the weekend of Labor Day September 1 and 2.

Please respond with your interest and concerns. This could be another opportunity to get together as a new Region.

We as a new region are in the process of setting new traditions and activities.

We need a name for our newsletter, something reflective of our area. Anthony has offered up the Bowtie 101 as a working title and we are excited to hear any other ideas you may have.

As always, please feel free to suggest things to do, places to go or when and where to meet as a group. I do hope this Region will be fun and rewarding for us and our new members.

A very special thanks to Kate who helped explain VCCA to several potential members at the BBQ,

Steve
