Morro Bay Maritime Museum & Whale Watching Tour (Oct 13)

Here are some of the pictures that I took today. We had great weather and a relatively calm sea. We got our fill of whale tails and sealions. Overall, it was great. We had nine for lunch at Tognazzini's Dockside Restaurant and then went over to the museum for a great tour hosted by Rich Pescatore. A long great day, but worth it.

Cambria Pines Tour (Oct 27)

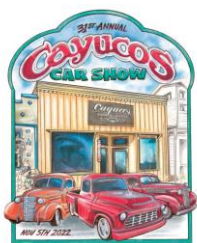

Met in Pismo Beach at 9:30 AM to caravan up the coast in our vintage Chevys to Moonstone Beach then back to Cambria to rummage through antique shops and clothing stores before going to Linn's for lunch. We discovered the secret bakery located behind the main restaurant and had to take part in sampling some of the goods. The town was crawling with decorated scarecrows for the October festivities. Cayucos Car Show (Nov 5)

Arrive before daybreak if you want your favorite spot to park with a view of the beach. A catered evening reception was provided the night before at Nelson's Garage. The morning began with the National Anthem! Weather was perfect and the BBQ lunch provided at the Veterans Memorial Hall included with the participant's entry fee was a welcomed treat. 200 cars were present at this show and a generous number of trophies were awarded. A live band played rock and roll music throughout most of the day. There were no restrictions to make/year, however the overwhelming cars present were of the vintage ilk. It was a fun and relaxed place to hang for the day at the 31st year of this event!

Nojoqui Falls Car Show (Nov 6)

Here are a few of the cars that were there. There were close to two hundred cars. After traveling through a terrible battle with fog, we made it safely to the show. We had eight cars that met at Pappy's to caravan to the show. The fog lifted and the weather was perfect for a car show. If you missed it, put it on your calendar for next year.

All Chevy/GMC VCCA Show - Burbank (Nov 13)

This event was hosted by the San Fernando Valley Region at Community Chevrolet. For the \$30 entry fee you got a dash plaque, T shirt, and lunch. There were 106 cars registered. Lunch was provided by Tommy's Burgers compliments of Community Chevrolet, who also paid for the T shirts, plaques and some raffle prizes. We drove down the coast the day before to hit the ground running Sunday morning. Interesting event and rare chance to see vintage classics residing together with the current production offerings from Chevrolet on the sales lot!

Toys for Tots – Orcutt Fire Station (Nov 27)

The VCCA sponsored Toys for Tots toy drive, started by Richard Miller, Jim Perry and Teddy Broussard received donations of new-unwrapped toys from car enthusiasts at Orcutt Donuts in front of Golden Donut, Sunday November 27. The generous number of toys was overwhelming and were delivered to Orcutt Fire Station No. 26 in Jim's El Camino. This annual event started two years ago. We hope to grow the donation of toys for this event from our members.
